Perrian Jordan as  
"Brother Ray"

"Once the would-be Raelettes started trading phrases with vocalist Perrian Jordan – the CJO's brass and reeds wailing behind them – the place seemed to warm up by a few hundred degrees."

-- Howard Reich  
*Chicago Tribune*

"The CJO's Tribute to Ray Charles was one of the hottest sets in the history of the Hyde Park Jazz Festival."

-- Carolyn Albritton  
Director, *Hyde Park Jazz Festival*

"Jeff Lindberg's Ray Charles Tribute is absolutely one of the most incredible shows we have ever done at the Tempe Center for the Arts. Perrian Jordan and the Raelettes were spectacular. When the last Ray Charles song was finished, the entire audience was on its feet screaming, wildly applauding, and begging for more. We will definitely book this show again."

-- Woody Wilson  
President, *Lakeshore Music at the Tempe Center for the Arts in Tempe, Arizona*

Can also be presented with your college jazz ensemble or local professional big band
